

For more than 100 years, LOTH has created smarter workplaces that solve customers' business issues. We bring together the best strategies, products and services that help people work more effectively, today and tomorrow.

Vantiv in Cincinnati is a **leading integrated provider** of payment processing strategies and advanced technology solutions for businesses and financial institutions. **The 40-year-old company recently combined multiple sites and moved into a newly renovated space.** With the belief that their values should permeate throughout the entire company, Vantiv employees “foster a collaborative working environment and celebrate our collective strengths and successes.” **LOTH helped Vantiv create a company culture and atmosphere to reflect their image.**

Challenge:

- **determine collaboration needs:** how groups interact with other departments and what constitutes collaboration among teams
- **talent:** attract and retain the right employees
- **reflect the chosen environment:** move to open plan, business casual
- **branding:** use their space to promote company brand

LOTH
provides
workspace
solutions
for **culture**
changes

Solution:

- **think creatively:** employ colors and furnishings to project a new image
- **consultation/conversation:** provide a variety of open and private settings
- **collaborative interaction:** create environment that supports teams and their interactions
- **culture:** accommodate multiple generations and increase morale by improving aesthetics
- **move to business casual:** transition to an open work environment
