

LOTH
STRONG LEGACY • BRIGHT FUTURE
SINCE 1891

For more than 125 years, LOTH has created smarter workplaces that help solve customers' business issues. We bring together the best strategies, products and services that help people work more effectively, today and tomorrow.

Steelcase
AUTHORIZED DEALER

\$1.5M Budget	100,000+ Square Feet	225 Employees	APR 2016 Completion
-------------------------	--------------------------------	-------------------------	-------------------------------

The 40-year old company knows its value is in its employees and aimed to create a workspace for the future while making it a priority to **attract and retain talent.**

“We worked with a lot of different people over the years and I think that one of the things I like a lot about LOTH is that aspect of willing collaboration with our industry.”
*Dave Goth
Lupton Rausch*

1,000 Feet of Demountable Walls

2 Training Rooms + Technology

53%
Savings

3 Trailers of demountable walls, 1,000 lineal feet, were delivered + installed in 4 days; cutting traditional construction cost and time in half.

Partnering with LOTH on technology saved time and cost. We installed 80 power hubs of Steelcase Thread; eliminating over 2,000 feet of cabling.

12 semi trucks of furniture;
installed in 20 days

Our SWS team completed
move services package

Internal project
management scope

Completed 1 month
early + under budget

Floating ceilings and glass walls in private and executive offices allow transparency among employees and promotes collaborative workplace initiative.

94 Private Offices / 45 Systems Stations

Open
Workstations
+ Storage
Solutions

A crucial solution for storage was needed to reduce piling and regain worksurface area. Additionally, it provided impromptu meeting spaces.

Outdoor
cafe +
workspace

Secondary + tertiary work environment options were created to give employees a palette of work location choices.

“ I would describe our relationship with LOTH to be one of confidence, one of dependability... every single time they've delivered and have been incredibly dependable. ”

Jason Baker
President of SEA
