“Human-centered design
inspiring creativity, learning
and healing.”

LOTH + the human- centered design approach

Creating beautiful spaces is a journey. From empathy, listening and discovery - we define the "why", test the options, and implement solutions. Take a glimpse inside the LOTH human-centered design approach.

product finishes and images cleaning care instructions

laminate

paint

Absorb the spill with a clean white cloth or paper towel. Never rub the surface. If the spill has already set, use a very mild, dye-free detergent mixed with lukewarm water and blot with a clean cloth or sponge. For a spot that is difficult to remove use a gentle leather **spot removal product**.

[Link](#)

fabrics

Act quickly with spills. Absorb the spill with a clean white cloth or paper towel. Never rub the surface. Do not use water or other liquids to clean, as they may stain the fabric. Consult a commercial cleaning specialist for removal of stubborn stains.
