Felt Privacy Screens

3F Privacy Screens

3F screens deliver premium visual and acoustical privacy in primary workstation environments. Offered with your choice of 5 mounting options in three finishes, 3F screens are fully customizable in both aesthetics and functionality. Choose from linear, L- and U-shaped, Half Desk and Hooded panels in 18mm felt. Made from 50% recycled plastic water bottle content and 100% recyclable at the end of its useful life, 3F screens are available in our contemporary 10-color Verve collection.
