Change Your Perspective

Preside's tapered meeting shapes were designed with hybrid work in mind. Tailored to effortlessly accommodate both in-person and virtual participants, these tops transform crowded meeting spaces into inviting presentation hubs with versatile viewing angles. Its soft-cornered, inclusive design promotes seamless collaboration in the workplace, ensuring every member has a seat at the table.

Café Spaces

Strategic Adaptability for Any Space

To foster social connection and interaction at every level, Preside offers a wide array of table heights, sizes, and shapes for multiple layout options. And with highly durable, cleanable table surfaces, Preside makes a lasting impression in shared spaces.

Empower Doers

Bring ideas to life wherever they happen with Preside mobile collaborative tables available in a seated- or standing-height option. Add a pop of color to your base to spark inspiration, or add some character to your workstation by trading laminate tops for durable butcher block.

Features

From individual to collaborative work in private or social spaces, Preside delivers a comprehensive selection of table shapes, sizes, and capabilities to advance your most inspired work.

SO LONG LIMITATIONS
Go long with two-piece tops or even longer with modular tops that can be extended to any length you need. Support the need for smaller tables by selecting single tops.

THE PERFECT MATCH
No matter the type, size, or look of the space—Preside fits right in with edge and finish options to coordinate.

THE TOTAL PACKAGE
Conference solution includes lectern, credenza, and presentation cabinet.

BOLD EXPRESSION
Add a splash of color to all metal bases with accent paints.

TECH SAVVY
Power is easy to access with flip-top and built in ports. Optional wireless charging is an added bonus.

MAKE A POWER PLAY
Easy-to-access wire management bases are available in multiple base options.

LASTING ENDURANCE
Scratch-, spill- and stain resistant laminate will look great for years to come.
