

Amia Air

High-Performance Seating

Understand Versatility

Amia, which translates to “beloved”, brings a refined style to any space. Enhanced by labeled manual adjustments, two back options, and responsive support, Amia is a versatile best seller.

Design Details

Amia Air is a fresh take on the Amia chair offering Air LiveBack®—a Steelcase engineered geometric wave pattern that flexes in two dimensions to encourage posture changes and provide the spine with responsive support. Warm it up with 3D Microknit for additional choice.

Performance Features

Air LiveBack® Technology

Adaptive Bolstering in
Seat Cushion

Labeled Adjustments

Features

Back Support
Two different back options offer ergonomic support and encourage movement throughout the day. Select Amia Air with Air LiveBack® or Amia LiveLumbar™ system.

Manual Synchro-Tilt Mechanism
A manually adjustable chair gives you total control over the adjustments to dial-in the level of recline resistance you feel in the backrest. Adjustments are labeled for ease of use.

Recline Adjustments
Recline range includes full recline with an upright back lock.

4-Dimensional Arms
Fully adjustable arms move in height, width, depth and pivot to better support your neck and shoulders.

Seat Ergonomics
Seat is height and depth adjustable. Flexible edges and adaptive bolstering in the seat foam provide long-term, pressure-free comfort.

Lumbar Support
Adjustable lumbar support comes standard on Amia Air with 3D Microknit.

Additional Options:

- Chair or Stool
- 4D arms (standard), height-adjustable arms or armless
- Hard dual-wheel casters (standard), soft roll-control casters or glides
- Platinum aluminum base
- Contrasting seat and back
- Fully upholstered outer back
- CarbonNeutral® product certification available (chair only)

Amia helps organizations achieve their carbon emissions goals. Add **CN** to the end of the style number to specify Amia with CarbonNeutral product certification.
