Maximum versatility. Minimalist style.

Brighten up your common, multipurpose spaces with uncommon, multifaceted design. Lumin offers day-in-day-out comfort from a contoured seat and ultra-breathable, perforated back. Its slim, contemporary look and array of applications make this chair shine above the rest.

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for almost 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for any (and every) space.

Turn on customization

Lumin lets you design without limits. Seat options? There's non-upholstered, fully upholstered or upholstered seat only. Wire rod, 4-leg, caster or counter/bar bases mean you can make it a stacking chair, guest chair, task chair or stool. When you choose between a variety of arms, three frame finishes, 14 shell colors and thousands of textile options, you'll always fashion the perfect fit.
